MEMBERSHIP DETAILS

- Stock market is not rocket science, it is always 25% Skill & 75% Experience, hence this is an Experience & Conceptual Understanding based Program
- This is Strictly Not a Get Rich Quick Scheme or a Holy Grail in Trading.
- Strict No-Refund Policy post registration for all courses
- Don't expect to be a Warren Buffet at the end of 2 month period, Stock Market is a research-based industry, we can provide you with a conceptual understanding of the market but experience and results in long term will always depend on your hard work & experience
- 2Y Wealth Academy does not take responsibility for any profits or losses
- This program is Strictly & only for education purposes. Returns in stock market are subject to Risk, hence any trade of investment made by a client should be at their own risk.

Plan Fees: 90,000/-
